3, 2, 1 – LET IT RIP™*!
BEYBLADE BURST™ 
PERFORMANCE TOP SYSTEM™*

BEYBLADE BURST™ tops are spinning battle tops (also called Beys). These tops include a dynamic “burst” feature designed to bring more excitement to the battle experience. Battling can trigger the spinning tops to burst into pieces (burst rates vary). Tops include 3 layers that can be customized for battle. Hundreds of combinations are possible. The more tops you collect, the more potentially winning combinations you can build.

THE BEYBLADE BURST BEYSTADIUM™

BEYBLADE BURST™ tops battle one-on-one in the BEYBLADE BURST Beystadium™. Each BEYBLADE BURST Beystadium™ provides a battleground that can play a part in how your Bey performs in battle, so select wisely!

THE BATTLE

3, 2, 1 – LET IT RIP™*! Pull the ripcord to launch tops into battle. Tops engage in battle – chasing, clashing and colliding! The last top standing wins.

HERE’S SOME BACKGROUND INFO!
PERFORMANCE TOP SYSTEM™* COMPONENTS

Each top is composed of 3 parts. Each component plays a role in how the top will perform.

**ENERGY LAYER™**
Affects how the top engages with an opponent when they collide in battle.

**FORGE DISC™**
Affects the center of gravity and weight of the top, causing different reactions in battle.

**PERFORMANCE TIP™**
Affects movement patterns. Whether the top tends to spin in one place or roams around the BEYBLADE BURST Beystadium™.

COMBINE PARTS TO CREATE DIFFERENT TOPS AND SEND A CUSTOMIZED BEY INTO BATTLE!
Every top belongs to one of four combat categories, based on its primary battle strength.

**ATTACK TYPES**
are designed to move quickly around the Beyblade Burst Beystadium™ and hit with power.

**STAMINA TYPES**
are designed to maintain their spin when left untouched. They can potentially out-spin a steady Defense Type.

**DEFENSE TYPES**
are designed to ward off attacks and maintain a stationary, stable position in battle.

**BALANCE TYPES**
combine the qualities of Attack, Stamina, and Defense types, and usually incorporate design elements from all three.

Fantasy scene. Burst rates vary.
